IV. Analysis

The investigations consider the flow and volume of traffic at the intersections. The recommendations will improve the traffic flow on city streets.

V. Financial Impact

There will be minimal impact to the City Budget for the installation or removal of these traffic control signs. There will be ongoing maintenance costs associated with the average 10-year life span of the signs and replacement costs for any knockdowns.

It looks like you replied, then included me, so maybe that's why the attachment didn't come to me. I only have a shield image, but no map. Can you forward again to me? I'd be happy to take a close look at it.

Thanks John. I included Jennifer for a second set of eyes and from my notes.
Larchmont side looks good.
The other side looks good except for :
1) Walton and Buckingham shouldn't be anything
2) Woodbury and 49th should be stop signs.

Anyone else? I don't want to be the only set of eyes on this.
Thanks
Rhonda

John,

I hope your eye procedure went well.

Just wanted to confirm that you will be joining us at our Board meeting on Tuesday Feb 3rd @ 7PM AND the civic League meeting on March 19th @ 7:30P.

Both meetings are at Larchmont united Methodist church on Jamestown crescent with entry off of Monroe.

Look forward to hearing from you soon.

Thanks

Rhonda

John,

Sorry for the confusion. Your health and eyesight comes first.

Please plan on February 3rd board and then at the civic league that follows that. I need to confirm both board and regular meeting dates/times, but want to keep this on your radar.

We will let the neighborhood know the change in topics.

Thanks

Rhonda

Sorry, I did not have this one on my radar. I have another eye procedure late Thursday afternoon and know I will not be in best of shape to attend. Did you want to meet with the board first before going before the CL? I do need to follow-up on this matter sooner rather than later. Next month? Thanks John
